Work Experiences

Gateway-Operation Manager (04.2018-03-2020)
Baghdad/Iraq

The company's main business was the outsourcing visa application process. My main task is to establish contact with the central office and embassy, to lead the team, and to manage the office.

Ziraat Bank A.S.- enterprise customer relations assistant
(11/2011-12/2017) Manisa /Turkey

The company is one of the biggest banks in the Turkish financial market, my main job can be described concisely as to find an optimum point where the bank and customers in my portfolio reach a win-win point. To discover customer financial needs and to match with correct service was my core duty.
